Embalming Supplements

Frigid Contact

Prod. # CD 20 CONTACT

One of the strongest embalming sprays available. Use on bedsores, gangrene, putrefactive areas, cancer, floaters and more to embalm and deodorize on contact. 16 oz. bottle

Formalin Cream

Prod. # CD 21 FORMALIN

A surface embalming cream that penetrates deep into tissue to preserve and disinfect. Formalin Cream allows you to control tissue hardness precisely by varying the quantity used and the period it is in contact with the body. Light pink color will not stain or bleach, so you can apply to face with confidence. 1 lb. jar

San Veino Liquid

Prod. # ES 10171

Use as a pack for bleaching, on exhumation cases, floaters, gangrenous, cancerous and other putrefactive cases to sear, dry and firm the tissues. Use as a preservative on still-born babies. Use hypodermically and for stopping Tissue Gas. 1 pint bottle

Also available as Gel, Powder, and Spray.

Vis-O-Guard Gel

Prod. # CD 20 VISOGUARD

Developed for cases requiring deep penetration and odor control. A surface embalming material of high viscosity designed to cling to tissue. 2 lb. Jar

Velva Massage Cream w/ Antiseptic

Prod. # CD 20 CREAVELV

Used externally to retain moisture in the skin, giving it a smooth, velvety texture, and to help eliminate wrinkles. Velva Cream can also be employed with cotton when forming mouth features to prevent dehydration of the lips and on the surface of eye caps to retain moisture in the eyelids. 1 lb. Jar

Lanol Care

Prod. # CD 20 LANOLCARE

A lanolin-based spray that helps prevent dehydration and provides an excellent base for cosmetics. 5.5 oz.

Embalming Supplements

Rose Colortone Dye

Prod. # CD 20 ROSECOL

- Non-Formaldehyde, concentrated dye
- Compatible with all arterial and supplemental fluids
- Produces a natural, long-lasting, life-like color and cosmetic effect.
- 16 oz. bottle

Plasto Wax

Prod. # CD 20 PLASWAX-1

A firm wax with unique properties that allow it to heat and cool while returning to its original firmness without a change in texture. 8 oz. can

Feature Builder

Prod. # CD 20 FEATB-PT

Prod. # CD 20 FEATB-G (Gallon)

- Congeals rapidly to make tissue building quicker and easier
- Expands more fully to eliminate uneven application problems
- Especially useful for rebuilding damaged facial features
- 16 oz. bottle

Feature Builder Solvent

Prod. # CD 20 FEATBSOL

Used to thin Feature Builder and clean instruments. 16 oz. bottle

Restor Skin (Neutral)

Prod. # CD 20 RESTSKIN-N

Spray on to mask burns, bruises and other discolorations. Shown in Neutral, also available in beige. 5 oz. aerosol can

Hardening Compound

Prod. # CD 20 HARD-25 25 pound box

Prod. # CD 20 HARD-50 50 pound box

Three properties in one preparation. Hardening Compound absorbs, hardens and disinfects. Our Hardening Compound is indispensable in cases where circulation has been totally destroyed. Apply directly to affected parts to remove odors caused by sores, cancer, gangrene, or abscesses. Add cold water and use Hardening Compound as a bleaching paste to eliminate surface discoloration.

Autopsy Compound

Prod. # CD 20 AUTO-25 25 pound box

Prod. # CD 20 AUTO-50 50 pound box

Autopsy Compound absorbs excess water & firms tissue in moments. Because of its preserving agents, it is extremely effective in destroying pathogenic germs. Plus it is pleasant smelling, dustless, & contains no wood products.

Embalming Supplements

SutureBeGone Adhesive

Prod. # CE SS 300

- 1-100 CC Bottles
- No more needle stick injuries
- Fast, Easy and Effective Alternative to needle suturing
- Great to seal incisions, autopsy craniums, restorative art work
- Closing Feature (Eyes, Mouth)
- Save Time/ Save Injuries
- Drie Clear

Aron Alpha

Prod. # CE 2ARON

The fastest and most effective way to seal lips, eyelids, and incisions. Aron Alpha is a high-strength, instant adhesive that dries clear and colorless in less than 45 seconds.

Pack of 5 tubes

Seal-O-Tite

Prod. # CD 21 5125 PT

Seal-O-Tite is a highly flexible, transparent lacquer for permanently sealing incisions against leakage. It is waterproof and recommended for post-mortem seams, surgical incisions, and as an adhesive for restorative art work. Large wounds may be filled by coating with Seal-O-Tite and cotton or gauze in alternate layers. 16 oz. jar

Absorb-It

Prod. # CE SS 200 16 oz.
Prod. # CE SS 205 5 lb.
Prod. # CE SS 225 25 lb.

Will not draw moisture or shrink incisions. Will not increase volume or swell incision. Pleasantly scented. Locks liquid into gel in an instant. Absorbs 120 times its own weight in liquid instantly. Will remain effective for years. For use in mouth/nose to prevent purge. Prevents leaks to protect clothing and casket interior from staining. Absorbs into a soft gel and neutralizes odors. Available in 16 oz. container, 5 lb. container, and a 25 lb. container.

Skin Seal

Prod. # CD 20 SKINSEAL

Skin Seal is a Liquid sealant used to cover sutured or glued incisions. It may be applied as a base for cosmetic application where tissue is compromised or weeping and is also excellent for sealing cuts where hair is present. Skin Seal dries Clear. 8 oz. jar

3M Super 77 Adhesive

Prod. # CE 3M SUPER77

An aerosol product which sticks virtually anything to anything. Sprayed on a dry surface it instantly develops tackiness to which sheeting, cotton or cloth adhere with amazing firmness. If a few minutes between coats are given, 3M Adhesive may also be used as a sealer on incisions or on head posts. In such use, several coats of 3M Adhesive will be required to bridge any gaps which may exist on the surface sprayed. 13.44 oz aerosol can

Embalming Supplements

Kreme Protec Soap

Prod. # CD 20 SOAPKR-LE - Lemon
Prod. # CD 20 SOAPKR-CH - Cherry
Cleans, protects and deodorizes with the softness of lanolin. Applicable for bathing bodies, shampooing hair, and washing tables and instruments. Also Perfect for use on hands before and after embalming. Available in cherry and Lemon. 1 gallon container.

Maxima Germicidal Soap

Prod. # CD 20 MAXIMA

A germicidal detergent that disinfects and deodorizes. Formulated for institutional use. This product can be used to disinfect floors, walls, metal surfaces and medical devices. Effective against HIV (Aids), and is staphocidal, pseudomonocidal, virucidal, & fungicidal. Will not leave film or dull floor finishes.

Blood BeGone

Prod. # CE SS 400

Removes dried blood from skin, scalp, hair, and clothes with ease. Great for removing fingerprints from skin. Removes blood from instruments and prep tables. Leaves no residue on body or surfaces. 16 oz. bottle.

Odor Eliminating Spray

Prod. # CE SS 100 Verry Berry
Prod. # CE SS 101 Lavender

A pleasant organic fragrance that will neutralize Body Decomposition Odors. Will Refresh and Neutralise all Odors. Great for Prep Rooms, Hearse, Chapel and Restrooms. Available in lavender and Verry Berry.

Paulex Powder

Prod. # CD 21 5098-1

A fine powder containing paraformaldehyde. Its used to pack orifices, eliminate odors, or as a hardening compound. Paulex Powder handles a wide variety of cases including cancer, edema, gangrene, infection, burning, drowning, and stillbirth. Its also great for cremations, disinterment, autopsies and shipping. 1 pound jar.

Orifice Guard

Prod. # CD 20 ORIFG-1

An effective disinfectant for pre-embalming treatment of parts of the body where surface disinfection may be necessary. 16 oz. bottle.

San-O-Dor Deodorizing Powder

Prod. # CD HC 7004

San-O-Dor is a scientific sanitizing and deodorizing powder, especially made for use in burnt cases, mutilated bodies, cancer, bedsores, gangrene, Bright's Disease, Carbuncle and Uremic Acid cases. 14 oz. jar.

Small Body Positioner Set

Prod. # CC 10132

5 small plastic body positioners

Also available individually

Prod. # CC 10132-IND

(Please Specify Quantity)

Angelus Body Positioners raise the body above the prep table allowing fluid and other material to easily flush away. These positioners are easily cleaned, chemically resistant, durable, and reusable. Dimensions: 12"L x 5.5"W x 1.75"H

Large Body Positioner Set

Prod. # CC 10134

3 large plastic body positioners

Also available individually

Prod. # CC 10134-IND

(Please Specify Quantity)

Angelus Body Positioners raise the body above the prep table allowing fluid and other material to easily flush away. These positioners are easily cleaned, chemically resistant, durable, and reusable. Dimensions: 19"L x 6"W x 2.5"H

Angelus Prep Block

Prod. # CC 10121

Unlike other Head Blocks on the market which are brittle or heavy, these Prep Blocks are lightweight and durable. Not only are they made with light weight construction but they can also handle heavy loads and repeated use. The outer skin to this new construction is a chemically resistant plastic that can handle rinsing with solvents & cleaners without damage, so it can be reused and pass OSHA protocols for cleanliness! There are 6 curvatures that give this head block versatility. From hyperbolic to parabolic to elevated, this product allows the control of different sizes of heads at different elevations.

6.25"L x 5"W x 4.25"H

Soft Prep Block

Prod. # CC 10126

This soft prep block is the answer to those expensive and heavy un-sanitary rubber head blocks. The soft prep block grips the table like rubber but is chemically resistant and can handle rinsing with solvents & cleaners with the knowledge that it will be sanitary and pass OSHA protocols. There are 6 curvatures that give this headblock versatility. From hyperbolic to parabolic to elevated, the product allows the control of different sizes of heads as well as legs and arms. 5.5"L x 4"W x 4.5"H

Wedge-Ease

Prod. # CC 10128 (set of 2)

Prod. # CC 10128-6 (set of 6 ea.)

The unique shape allows for different body shapes with no sharp edges to promote maximum circulation. Designed to be used as a set of 6 support under the legs, buttocks, back and arms, you never have to lift the body. Just roll one side of the body and wedge repeating the process on the other side. 12"L x 3.5"W x 2"-5.75"H

Styrofoam Headblock

Prod. # CC 10127

High grade polystyrene.

Size: 6" L x 5" W x 4" H

Sold as case of 24

Disposable Styrofoam Positioner

Prod. # CC 10129

5" L x 3" W x 3" H

Black Hycar Apron

Prod. # CE ASP 56-512

A heavy weight material made of tough nitrile blend. Neoprene styles are resistant to a wide range of chemicals. 35" x 45"

Lab Coat

Prod. # CE ASP D212S - Small
Prod. # CE ASP D212MED - Medium
Prod. # CE ASP D212LG - Large
Prod. # CE ASP D212XLG - X-Large

Long sleeve coat features collar and five snap closure with two pockets.

Shoe Covers

Prod. # CE ASP RAD 5473

Shoe covers are worn outside the shoe and have elastic closure. One size fits all. 50 pairs per box.

Sleeves

Prod. # CE ASP RAD 5478

Sleeves measure 18" in length. Polypropylene sleeves are non-linting and provide cost effective dry particulate barrier. Polyethylene coated polypropylene sleeves enhance protection by providing limited liquid holdout. 100 pairs per box.

Disposable Gowns

Prod. # CE RR-400 - Universal
Prod. # CE RR-300 - Universal

Provides full-length, fluid resistant coverage. Constructed with a single piece of impervious plastic, it has one thermal impulse seal for the ultimate in safe and worry-free protection. Meets most OSHA requirements. CE RR-400 is blue, 15 per bag. CE RR-300 is yellow, 10 per bag.

Disposable Polypropylene Bouffant Cap

Prod. # CE ASP RAD 5403

Polypropylene bouffant caps keep hair out of your eyes and away from your work area with sanitary hair covers. Bouffant caps are packaged 100 per dispenser box, or 100 per bag. 21" White.

Embalming Machines

Porti-Boy Mark IV

Prod. # CN ESPBMARKIV

Max. Injection Pressure Range: 45–60 psi
Cabinet Construction: Aluminum Casting
Finish: Nylon inside & out
Color: White
Fluid Capacity: 2 1/2 gallon glass tank
Fluid Reservoir Base: Stainless Steel
Automatic Shut-off: Yes
Motor: 1/6 hp
Standard Voltage: 110V/60 hz – 1 phase AC
Power Cord: 8 ft. polarized, heavy duty
Pump Drive: Mag Drive
Pulsation Feature: No
Height: 22-1/2"
Depth: 12-3/4"
Width: 12-3/4"

Porti-Boy Mark V

Prod. # CN ESPBMARKV

Max. Injection Pressure Range: 80–100 psi
Cabinet Construction: Aluminum Casting
Finish: Nylon inside & out
Color: White
Fluid Capacity: 3 1/4 gallon glass tank
Fluid Reservoir Base: Stainless Steel
Automatic Shut-off: Yes
Motor: 1/4 hp
Standard Voltage: 110V/60 hz – 1 phase AC
Power Cord: 8 ft. polarized, heavy duty
Pump Drive: Mag Drive
Pulsation Feature: Yes
Height: 24-1/2"
Depth: 15"
Width: 15"

DUOTRONICS

II

Prod. # PC 9001
Pulsator: YES
Pressure Range: 0-30 PSI
Pump Drive: Belt
Voltage: 115v/60hz
Motor: 1/2 HP 2 Speed
Tank Size: 3 Gal Glass
Cabinet Finish: Stainless Steel
Height: 21"
Depth: 15"
Width: 17"
Automatic Shut Off: NO

III

Prod. # PC 9002
Pulsator: NO
Pressure Range: 0-15 PSI
Pump Drive: Magnetic Coupled
Voltage: 115v/60hz
Motor: 1/8 HP 1 Speed
Tank Size: 3 Gal Glass
Cabinet Finish: Stainless Steel
Height: 21"
Depth: 15"
Width: 17"
Automatic Shut Off: NO

V

Prod. # PC 9004
Pulsator: YES
Pressure Range: 0-100 PSI
Pump Drive: Magnetic Coupled
Voltage: 115v/60hz
Motor: 1/6 HP 1 Speed
Tank Size: 3 Gal Glass
Cabinet Finish: Stainless Steel
Height: 21"
Depth: 15"
Width: 17"
Automatic Shut Off: YES

Prep Room Equipment

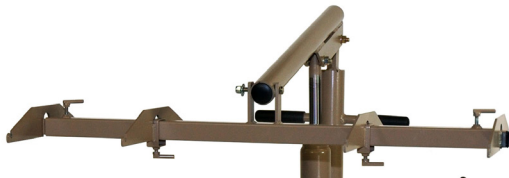

Sampson "One Man" Hydraulic Body and Casket Lifter Prod. # CB 7760 SQ

Extra heavy-duty casket and body lifter will easily handle up to 1000 lbs. With its nine 4" swivel casters, you maneuver this body lifter through a door-way with ease. Features an adjustable body carriage. This allows you to adjust all 4 body straps easily to accommodate any body from head to toe. Comes with four 2" adjustable washable nylon web body straps, which adjust to the girth of any body. The two straps that go under the body are attached to a wand - just slip the wand under the body and the straps follow with ease. Two 2" nylon web straps are also included for lifting caskets. Heavy-duty hydraulic jack will lift the heaviest body from floor to cart or table with virtually no effort. Extra sturdy, all steel square tubular construction with durable powder-coat finish. 1 year guarantee.

Prod. #	CB7760SQ

Boom Bar Low	31"
Body Carriage Width	37"-62"
Body Straps	4
Casket Straps	2
Approx. Shipping WGT.	190 lbs.

Adjustable Body Carriage

Inner hangers adjust from 4" to 31"
Outer hanger adjust from 37" to 62"

Adjustable Body Straps w/ Hardware

Prod. # CB 5404-4

Set of four extra adjustable body straps, with hardware. 2 BODY straps which adjust from 36"-66", 1 HEAD END strap which adjusts from 26"-52", and 1 FOOD END strap which adjusts from 30"-60".

Casket Straps w/ Hardware

Prod. # CB 5202-2

Set of 2 casket straps which adjust up to 95".

Utility Cart

Prod. # CE CR245

Durable chassis frame with protective bumpers on legs and handles. Ideal for constant usage with light-to-moderate loads. 300 lb capacity. Features three 17.75" x 27" shelves. All-rubber swivel casters standard.

Prep Room Equipment

Ferno Hydraulic Operating Table

Prod. # CE101-H

Tilting and height adjustments are accomplished with a hydraulic foot pedal. The Model 101-H gives quick adjustments and individual settings, with the option of lowering or raising either end 28.5" to 40.5" above the floor for easy preparation from a standing or sitting position. The table top is in a convex shape to drain fluids away from the body. An extra-deep trough runs the perimeter of the table, eliminating the need for splash guards. The drain, located in the center of the foot end, quickly eliminates fluids from the table. All four 8" swivel wheels lock instantly with a single foot pedal.

Ferno Folding Operating Table

Prod. # CE102

The Model 102 Folding Operating Table is a true combination table, ideal for embalming, dressing and transferring. An exclusive, one-hand release easily adjusts either end of the table from 32.5" to 38.5" with the ends being independently adjustable. The table is constructed of a stainless steel top with a convex surface, tubular aluminum frame, and 6" ball-bearing wheels. The swivel wheels lock to keep the table stationary while in use. The drain, located in the center of the foot end, quickly eliminates fluid from the table. The Model 102 folds for storage when not in use and can stand on one end for storage behind a door or in a closet.

Ferno Basic Operating Table

Prod. # CE103

The Model 103 Combination Operating Table is a multipurpose table, ideal for embalming, transferring and dressing. For added convenience, each end can be adjusted independently for individual working height and drainage. The stainless steel top is durable and rigid, featuring a convex surface and deep side troughs for efficient drainage without the need for splash guards. It features 6" wheels with lock to keep table stationary while in use.

Ferno Variable Height Dressing Table

Prod. # CE 36

An exclusive, one-hand release on the Model 36 allows you to quickly adjust the table height from 32" to 38". The Model 36 rolls on four 6" swivel wheels that lock for stability. Specify grey or wood grain laminated table-top when ordering.

Ferno Folding Dressing Table

Prod. # CE 34

Unfolds quickly and stores compactly. Two-piece laminated plastic top resists scratches and stains and can be cleaned in seconds. Four 6" swivel wheels are equipped with locks. Available with wood grain or grey top (please specify). Folds to only 13" when not in use.
